Schedule 1 Offences

- Fighting
- Actions that aim to, or do, cause injury
- Sexual assault
- Abuse
- Murder
- Cruelty or Neglect

A Schedule One Offence is an offence of a violent or sexual nature committed against a child, even if you are a child yourself.

Planning permission has been applied for to change the use of Satis House into a young person's home for boys aged 11 to 18. Specifically, taken from the statement of purpose and function of the home, they seek to accommodate "highly vulnerable young people, predatory young people or young people unable to keep themselves safe" and "on occasions the young people need protecting from themselves (eg self harm, acting out their past abuses on others, predatory behaviour, Schedule 1 offences, damage to property), as well as protecting from others".

It is the opinion of the Elms Avenue Residents Association this is a completely inappropriate development for this residential area of Ramsgate, and that our safety, quality of life and the character of our area will be compromised if this is allowed to happen.
